EXPERIENCE

KRONOSOFT CURRENT

Istanbul, TR
Full Stack Developer

■ Drove the conception and realization of CRM, B2C, and Fintech initiatives, adeptly leveraging the company's established architectural framework. Orchestrated the configuration and deployment of databases, APIs, back-office frontends, and web pages integral to the aforementioned projects. Proficiently executed comprehensive unit and mobile testing protocols to ensure robust functionality and performance.

MEDILAB

London, UK
Web Developer

■ Revitalized and optimized incumbent projects through rigorous refactoring efforts. Strategically conceptualized, developed, and implemented e-commerce platforms catering to the specific needs of the organization's UK divisions, namely Medilab Assist and Medilab Estetik.

OLGUN YOLCINAR CURRENT

Istanbul, TR
Freelance Web Developer

■ Conceptualized, developed, and executed a diverse spectrum of website projects catering to both expansive enterprises and small-scale businesses. Merged creative design prowess with technical acumen to ensure the seamless synthesis of visual elegance and functional excellence. By deeply comprehending client objectives and industry nuances, crafted distinctive digital experiences that drove engagement and yielded tangible outcomes. This experience underscores adaptive versatility, adept stakeholder management, and a consistent record of delivering superlative results in the dynamic realm of web design and development.

TEKGOZ STUDIO

Istanbul, TR
Senior Copy Writer

■ Authored comprehensive design manifestos, internal newsletters, and compelling business proposals. Produced and contributed content for established traditional media platforms. Spearheaded the creation of impactful presentations. Managed and maintained various social media accounts to enhance brand presence and engagement.

MARIE CLAIRE

Istanbul, TR
Editorial Writer

■ Produced insightful and engaging content as the author of Sex and Lifestyle columns featured in both the Women and Men segments of Marie Claire magazine. Demonstrated adeptness in understanding audience preferences, resulting in compelling and relevant articles. This role highlights proficiency in aligning writing style with publication tone and effectively catering to diverse readerships.

BAKED IDEAS

Istanbul, TR
New Business Director

■ Orchestrating the presentation of international business ventures. Conducted essential inquiries and meticulously formulated business plans tailored to the specific needs of each initiative. This role showcases the ability to navigate complex international markets, adeptly manage inquiries, and synthesize comprehensive business strategies to drive successful outcomes.

LEVEL UP

Istanbul & Izmir, TR
Founder | Manager

■ Founder of "Level Up," an establishment specializing in wholesome beverage offerings. Effectively directed operations across two locations situated in the cities of Istanbul and Izmir, ensuring seamless management and consistent growth over a span of two years. This role underscores strategic leadership, adept business management, and a track record of fostering successful ventures within the food and beverage industry.
